

## **Start Your Education Toward a Career in Landscape Architecture at Lewis and Clark Community College, Godfrey, IL**

Enroll in the introductory course to landscape architecture, LAND 130, at Lewis and Clark Community College this fall. This course has no prerequisites and introduces the student to the basic principles of planning gardens, landscapes of faith, landscapes of power, landscapes of ordering, landscape of cultural and of personal expression, landscapes of healing, and the history of landscaping. Applied experiences and personal applications will be emphasized.

For those interested in further study in this field, this course is the first course in the Landscape Architecture Program, an articulated transfer program with the University of Illinois Urbana-Champaign.

The class meets on Tuesdays, 6:30-8:00 p.m. from August 26 – December 16, 2008 and will be instructed by Ms. Julie Conley, Landscape Architect.

To enroll contact the Enrollment Center (618-468-2222)

For more information on the Landscape Architecture Program, contact Mr. Joel Hall (618-468-4920) or Dr. George Banziger (618-468-4800).
